

## ***Parents of Kindergarteners,***

Feeling a little anxious, excited, nervous, or relieved?

The first day of Kindergarten can be an emotional and exciting experience for both students and parents!

After you wave goodbye to your little one, please join us to shed some “Tears” and shout a few “Cheers”!

This is a great opportunity to meet and mingle with other Kindergarten parents, learn about the PTA, and hear from our wonderful guidance counselor, who has some great tips for making it the best transition possible for you and your little one.

**Monday, August 13, 2018 at 8:30 am**

Light refreshments will be served.

**Sponsored by Miller Perry Elementary PTA**
